

Did you know that the largest St. Patrick's Day Parade in the United States and even in the World takes place in New York? This is fitting since the first recorded St. Patrick's Day Parade actually took place in New York. The British Army's Irish soldiers marched along with Irish music to make them feel closer to their ancestry. The Parade did not make it back to Ireland until 1931. Which is quite some time after the original in New York in 1762. Since that March the Parade has been an annual tradition and has also grown immensely. The Parade has turned into a five day celebration in Ireland that includes food, fireworks, theater, and music.

March 14th is known as "Pi" day since the date 3/14 is the same as the first three digits of the value of Pi (3.14). We celebrate "Pi" day for being a mathematical constant. Many people worldwide gather to celebrate "Pi" day by rattling off as many of the infinite numbers they can from memory, and to eat Pie. There is no known discovery to the end to the number Pi, and there are over a trillion digits calculated after the decimal with no end in sight.

Family Councils

What is Family Council when you see it on the calendar? Family Council is our way of making sure there is a least one day a quarter that you have our undivided attention while doing a fun activity. During Family Council, Laura and the Directing Family Members are available to speak with families of Residents about any concerns you may have, a time to share improvement suggestions, or any praises you would like to give. It is also a time to get to know others that live in the Branch and share your experiences with their families.

Family Council is a wonderful opportunity to support others that may be newer at having to place a loved one in an Assisted Living or just are not comfortable with the new experience. The councils are also a great way to get in on upcoming news throughout the company and branch. If you cannot make a Family Council you can always call and speak with Laura or Directing Family Member to share your thoughts. Family Council is just our favorite way to spend time with you.....OUR FAMILY!!!
