*Bickford Friendship Company: Genesis VNA & Hospice
Heather Wessel, Liaison 563-421-HOME (4663)*

I am glad to be back in healthcare. I have worked in health care (skilled nursing and rehabilitation) for most of my career. After a short time away in another field, it made me realize that health care is where I need to be. My mother was a nurse at Genesis for over 30 years and although I am not a nurse, I have

followed a similar path. It is a great feeling to follow in your families footsteps. I know that I am in the right place with Genesis VNA & Hospice as everyone here may have arrived for different reasons but we all return to work each day with the same mission as a healthcare system.

I believe our mission is to provide the care for patients that others may not be willing or able to provide. We try each day to make a positive impact in addition to the patient's medical care, directly to the person and their loved ones. This is why I am here, and hope, in addition to accomplishing everyday in serving the community health care providers, their staff and patients and family members. Our services are offered to many patients and their families through the Quad Cities and surrounding areas. Services include in home nursing & therapy services for people who can't get out of their homes easily. Service

range from clinical nursing care, medication management, wound care, infusion therapy, physical therapy, occupational therapy, speech and vision therapy, home aids and homemakers to social work counseling. Genesis Hospice provides end of life care when an individual has been diagnosed with a terminal illness of less than 6 months. Hospice care includes nursing care, hospice aids assistance, spiritual care, social work counseling, bereavement and many comforting therapies such as massage therapy, music therapy, and pet therapy just to name just a few. Happy Holidays!

BLESSED CHRISTMAS TO ALL!

Out of the silence,
MUSIC
Out of the darkness,
LIGHT
Out of the uncertainty,
PROMISE
HOPE
was born that night!
