November Remembrances

Fontenelle Forest traveling SUN program came to visit on Nov. 11. Catherine Kuper presented a wonderful program on turkeys. We got to see and touch many items including turkey feathers and eggs. We listened to recorded turkey calls and saw pictures of both male (Tom) and female (Hen) turkeys. We reminisced and had fun! Bickford is pleased to have Fontenelle Forest entertain our family members once a month.

Besides our regular Bible studies and Bingo games we had musical entertainment and a family night to go over the Bickford Enriching Happiness survey. We also had a delicious Thanksgiving luncheon on Nov. 27th. We all took part in dementia training. We were able to experience what dementia feels like. Nan Knicely, one of our family members made an outstanding clown for Halloween. Her nose was her horn!!
