

Lynsey's Corner

We had a fantastic valentine party on February 13th for the residents and their family members. Tony Alexander wowed the ladies with his singing and bowing down to them while singing.

The prime rib was the best I've ever tasted in my life. Bonnie did an exceptional job, as usual. In March we will be celebrating St. Patrick's Day & a Casino Day. Be watching for detailed announcements in March about these two events.

My last day as Bickford's LEC will be April 30, as I will be retiring and looking forward to some "family" time as well as spending time getting my house updated. What I look forward to the most is having time to cook.

Burlington HAPPENINGS

Focus on a Bickford Family Member

Jamie is one of our more recent Bickford family members. She joined us just under a year ago. Jamie has been in the nursing field for 12 years. During this time she has worked on hospital floors, home-health, hospice, long-term, and short-term care facilities. Her heart is helping those with Alzheimer's. She works with the local Alzheimer's Association as a volunteer. Jamie is always one who has a smile on her face and looks at everyday as the glass is half full. Jamie will be starting as the new Life

Enrichment Coordinator on May 1st. Lynsey's last day will be April 30th, as she will be retiring and spending time helping with health issues with family members. Jaimie is very excited to start this new chapter in her life. She is already bursting at the seams to bring new activities and outings to Bickford. She has a lot of ideas that are wonderful.

Glenadine Stone being crowned 2015 Valentine Queen.

Dwight (Buck) Jones being crowned 2015 Valentine King.

Bonnie and Carrie ready to dish up the delicious supper for the residents at our Valentine's party. They had a choice of prime rib or shrimp for the main course. Greg & Ashley (a husband and wife team of CNA's) really knew how to hustle as servers, especially due to having 28 more guests. It was the best party since I've been the LEC. Lynsey

March

Monday afternoon is when Bickford of Burlington has "High Tea" time. This is open to the men also. There are usually about 15 - 20 residents who enjoy coming to the livingroom for this activity. We use our real china tea cups and have several flavors of teas. We usually have a nice snack. This particular day we had one large chocolate chip cookie. Pictured from left to right are Dianne, Lindsay, Kathryn, Margie, and Ruth.

Tomorrow is never promised, so today I want all my friends and family to know how thankful I am that all of you are in my life.

Everyone you meet is fighting a battle you know nothing about. Be kind, always.

May you always have enough happiness to keep you sweet; enough trials to keep you strong, enough faith to give you courage and enough determination to make each day good.
