April 2015

Tomb, You shall not hold Him longer, Death is strong, but life is stronger Stronger than the dark, the light; Stronger than the wrong, the right; Faith and hope triumphant say; Christ will rise on Easter Day.

And when sunrise smites the mountains Pouring light from heavenly fountains Then the earth blooms out to greet Once again the blessed feet; And her countless voices say; Christ has risen on Easter Day. (Author: Phillips Brooks)

While the patient earth lies waiting Till the morning shall be breaking Shuddering beneath the burden dread Of her Master, cold and dead, Hark! she hears the angels say; Christ will rise on Easter Day.

God's promises are never ending. Let us not forget the true meaning of easter this year. Celebrate life, the new life we all have through Christ.
