

In May, the Brunch Club went to Steak N Shake in East Peoria. It's right on the river across from downtown Peoria. The view was grand! Sandy Strappe shared a story about how the restaurant used to operate as a drive-in for boaters. On any given summer Saturday, she and her husband would hop in their motor boat, cruise up and down the river, and then pull up for dinner. They didn't even have to get out of the boat!

May was great!

Here Comes June!

One of my favorite things about summer has always been the festivals that take place in the Peoria area towns. This year, we'll explore Princeville's Heritage Days and Metamora's Old Settlers' Days. Let's hope for dry skies on those days! Please note the Father's Day Breakfast--dads are asked to invite one or two guests to join them at breakfast on June 6th. Peoria Librarian, Barb Brown, has offered a special genealogical service to us. She has a computer program that is designed to

track and organize the stories, pictures, etc. of at least three generations. She will give a presentation on the 24th to tell us all about it and then invite everyone (and interested family members) to compile things on a different date. And it's free!!! We'll hear the music of a new friend, Janet May, and an old friend, David Berchtold, this month. A much requested trip to Salvation Army and Goodwill is on the calendar. Check out all the happenings this month!
