

Friendships At The Cottage!

What can be more pleasant than a game, a conversation, a little bit of coffee?

"People with dementia often forget the circumstances that caused a strong feeling. But they may retain the feelings associated with the incident for some time." *

Our goal is to make those circumstances and feelings as positive and comfortable as possible!

The House! The Cottage!

October is here. Brace yourself against that brisk Autumn air and get ready to enjoy the start of the season's treats! Don't let the cooler temperatures slow you down!

This is the time for visiting our local orchards. Tanner's, Christ's, and Akerman Farms are destinations.

The Peoria Public Library is hosting it's annual book sale and I know folks are eager to peruse the tomes. And, Halloween! Little Trick or Treaters from The Early Learning Center will be joining us. Get ready for cuteness!

Halloween is a time for kids and candy. Intergenerational activities provide a very special opportunity for our friends with memory issues.

A child generally brings out the best in everyone--nurturing abilities, caring hugs, and smiles. Kids are natural masters of "being in the moment" and that mastery lends itself so well to connecting with our residents.

So, I'm looking forward to welcoming the gang of Trick or Treaters that will be visiting us this month!
