## Men's Lunch at Captain Lueys

## Whole Lot of Shakin' Going On!

The Bickford men enjoyed a wonderful lunch of perch, walleye and salmon at Captain Lueys. John tagged along and the men shared fishing and hunting stories.

Bickford's monthly mens BBQ's were discussed with the men deciding they would love grilled fish along with ribs and the usual hamburgers, hodogs and brats!

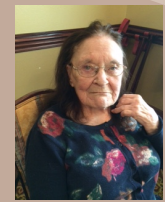

The Bickford gang was going wild with the music of Don playing the guitar and singing 'Proud Mary'!

### Getting to Know....

In April we got to know Betty O'Dett and Harold Moore. Each were treated with their favorite meal and dessert!

### In Your Easter Bonnet!

## May Happynings

Spring has finally sprung here at Bickford and many projects are starting to bloom! Preparations for a raised vegetable garden have begun. Residents will be planting tomatoes, cucumbers, peppers and green beans which will be harvested and used in their daily meal preparation. There will also be a raised herb garden and lots of flowers to tend to! Lemonade and cookies are always a big hit on the patio!

Wednesday, May 18, the Howie bus from Bickford of Portage will pick up our Residents to visit the Gilmore Car Museum. There, the Residents will be able to view vintage cars and motorcycles and eat at the Blue Moon Diner. They will also visit the Midwest Miniature Museum.
