

### Resident of the Month: Toby Hopper

Toby Hopper was born in Montgomery, Alabama on July 10, 1927. She was a cheerleader and graduate of Lanier High School in Montgomery. Coincidentally, her resident neighbor Ada Crumpton graduated from Lanier as well a year earlier. Her sister, Carrie, was Toby's classmate and friend. What a small world that their paths should cross again in Marietta, Georgia after all of these years! Toby spent her college years at the University of Alabama. Growing up without a sister, she thoroughly enjoyed the sorority life as a Zeta Tau Alpha. After graduation, she taught physical education and academic classes at Judson College, a small women's college in Marion, Alabama. After moving her family to Tuscaloosa, Alabama, Toby taught physical education and modern dance classes at the University of Alabama. She was also a lively Square Dance caller, keeping the dancers on their toes and moving quickly through the steps to the beat of the music. While teaching at the University of Alabama (and while raising five children), Toby completed her Masters and PhD degrees, both in Education.

### Resident of the Month (cont.)

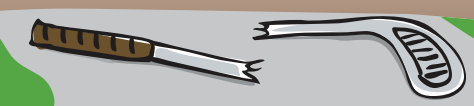

From Tuscaloosa, Toby moved her family to Marietta where she accepted a teaching position at Kennesaw Junior College, the early version one of the largest universities in Georgia, Kennesaw State University. At first, she taught physical education classes such as Tennis, Golf, Snow Skiing, Bowling and Camping/Canoeing. Toby was then promoted to Assistant Dean and from there held the position of Dean of Students until the time of her retirement. Over the years, Toby offered her services to the community by working as a member of the Lion's Club.

She volunteered her time and efforts to both organizations for many years. She was a volunteer worker at the 1996 Summer Olympics held here in Atlanta. Also, recognizing the challenges of working full time while pursuing an educational degree and simultaneously raising children as a single parent, she founded the "Toby Hopper Endowed Scholarship for Single Mothers". In recognition of her years of service and charity, she was honored by being a nominee for the "1999 YWCA Woman of the Year." Toby has five children and five grandchildren. It's always a special day when she gets to see and spend time with them.

### Just so you know...

#### Outings & Events:

- 6/1 - Carabba's
- 6/3 - Music w/ Mike Silver
- 6/6 & 6/27 - Green Thumbs Club
- 6/7 - Music w/ Alan Weisenberg
