Parties, Crafts, Music!

Exploring Peoria!

June 2016

Summer is here in full swing! And nothing says "summer" like relaxing by the water and catching some fish! So, be sure to join us on our fishing trip to the Dixon Ponds this month. Also, look for our Luau party and various musical events. For you fabulous fathers, please invite your families to join us for a special father's day brunch here at the House. Our family meeting is coming up at the beginning of June. Please check the calendar for other activities, dates, and times!
