

4th of July
Join us on July 4th to sit outside
and watch the fireworks. Cool
drinks will be provided.

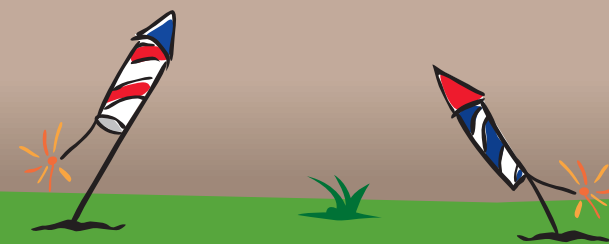

The Longest Day Carnival

We had such a good time at our first carnival. It was the longest day of the year and seemed to be the hottest as well. However, everyone had a good time playing games, eating popcorn and enjoying snowcones. Thanks to everyone who helped and attended. A special thanks to BIBO the clown for all of the balloon fun and the Boys and Girls Club for joining us.

We look forward to hosting a fun day again next year. Proceeds will again go to the Alzheimer's Association.

Be careful in this heat

As the temperature has hit "hot", please be mindful of the elderly sitting outside. The elderly do not feel the heat as they used to and can easily overheat without realizing it. Limit outside time when it is hot and make sure that there is plenty of fluids being taken in. On a recent 95 degree day, one of our residents sat outside for a short time and stated, "at least it's cool today". A good example of how those temperature gauges just don't work anymore. So, keep an eye on your elderly love ones this summer.
