Surveys

We would to thank the family members that have taken part in our text survey. We have had a good initial response to the one question survey. If you have not heard about our survey, it is conducted each month via text.

We just need your email address and a one question survey is sent to you each month asking about your experience with Bickford that month. See Bob if you would like to sign up. Residents also take part in the survey.

New activities!

Starting in August, Holy Family church will be coming to Bickford once a month to conduct Mass. It will take place the third Monday at 1:15 in the library.

The second item is Creative Expressions. This will take on different aspects of our creative side. Don't feel creative, no worries. The new craze for adults is coloring.

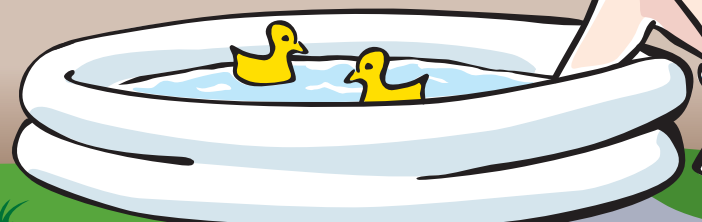

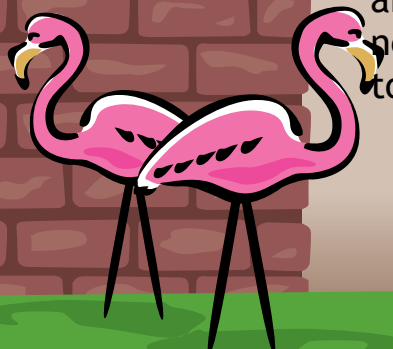

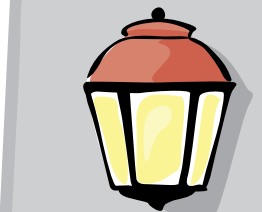

This is not your normal childhood coloring with crayons! Pictured left; Sinnissippi concert.

I will have different types of designs from intricate designs to larger print designs. There will be a variety of subject matter from geometric designs to plants and animals. Come and spend some time doing something fun and relaxing while enjoying some good conversation! The second expression is our Paint and Sip. We will be painting a design together on canvas. Look for more details in the weekly highlights.

Letter from the Director

Welcome to August! Wow what a summer we have been having! I guess outings, outings, and more outings has been the order of the day. I am so happy to see all the involvement we have had, and the great response to the activities we are having. We will continue to add your suggestions to our calendar. We are also excited about the new friends we have coming in as well. It is a great feeling to know we are going to add some new family members to Bickford.

If you are happy with your experience here we have a great program to help you benefit from your happiness. If you refer a friend to us and they move in you will be eligible for a \$500 bonus. This is a great way to grow our family and include the people we are close to and love. Thank you so much for all you do to make Bickford such a wonderful place to be. Have a great month! Bob
