October was such an exciting month for everyone at Bickford of Wabash! In sticking with the spirit of November, I would like to thank everyone that helped us usher in the new season by attending our first annual "Taste of Fall" event! With families and friends in attendance, our BFM's and BFF's enjoyed the likes of freshly baked apple and pumpkin pies, local ciders, and a gourmet s'more bar! What a treat it was for us to witness the excitement that filled the room. Thank you again to all those that attended!

A quick happiness update...
We continue to strive to each month to achieve 100% happiness. In October, we saw our resident happiness scores rise to 65% and family happiness scores stay steady at 88%. We have seen a drop in overall participation in our happiness texts. I encourage each of you to take a few minutes at the beginning of each month to complete this short survey. The feedback that we receive from you is truly invaluable. As always, if you have any questions or concerns, please never hesitate to reach out to our Directing Family Group!

November 2016!

Thanksgiving is one the highlights of November. There are many things we think we know about it, but here are some little known facts about Thanksgiving.

1. In 1953, someone at Swanson ordered too many turkeys to sell for Thanksgiving... 26 TONS too many! So they sliced it, packaged it up and sold them as the first TV dinners.
2. Thanksgiving is the busiest day of the year for plumbers.
3. There are 4 cities in the US named Turkey...in Louisiana, Texas, North Carolina, Arizona.
4. Male turkeys gobble and female turkeys cackle
5. Ben Franklin wanted the turkey to be the national bird, instead of the eagle.
6. When Abe Lincoln declared Thanksgiving an national holiday, it took tireless work from magazine editor Sarah Josepha Hale. Her claim to fame was writing the nursery rhyme 'Mary Had a Little Lamb'.
7. Why is it called a turkey? Long ago, Europeans took a liking to the flavor of these birds. Since they were imported from Turkish merchants, the Europeans gave the tasty bird the name 'turkey'. Have a fantastic month of November and Happy Thanksgiving to all!
