Our Nursing staff

Did you know our Rockford branch has 21 CNAs, 8 LPNs, 1 part-time RN and 1 full time RN? Our CNA's manage daily care, while our LPN staff act as the manager on duty and handles all medication and physician interactions. Our RN's manage over 400 assessments and care plans per year. If you have any concerns regarding your loved one's care, please contact the LPN on duty. The LPN can relay any further

questions or care issues to our RN's to discuss advance needs, questions, or changes to service plans. If you need to speak with the RN, it is advisable to schedule an appointment, to ensure adequate time and attention to any issues. As always, it is our pleasure to serve you and your loved ones.

Letter from the Director

What a wonderful time of the year!! This is the start of the holiday season a time for family and friends. We are blessed to have each and every one of you as part of our Bickford family. We will be kicking off the season with our famous Thanksgiving meal (please sign up or contact Kris). This family get together is a great time to spend time with loved ones, make new friends and get to know all the amazing people that make Bickford of Rockford so special. If you haven't attended please join us this year.

I am encouraged that with so many malls and businesses announcing that they will be closed on Thanksgiving we can get back to more family time. I would like to challange all of you to focus on 30 days of thanks, and really reflect on all the good in your lives. If you would like to share those with us, we would love to read them during our meal. As always we want your feedback please take part in our monthly text surveys. If you are not signed up see Bob or Danielle. Thank you!! Bob
