

Macomb HAPPENINGS

NOVEMBER

Chaplains Chat

The autumn season brings with it the beautiful scenes of nature's change; e.g. trees, especially in their glorious colors. It reminds me of another continuous transformation in progress - the work of God's grace in the life of a believer in Christ

May we determine to "Let the beauty of Jesus be seen in me: All His wonderful passion and purity: O thou Spirit divine; all my nature refine: 'Till the beauty of Jesus is seen in me."

(Lyrics written by Albert Orsbon.)

Spiritual growth is to be pursued and received in our relationship with Jesus Christ. Everlasting spiritual life changes us from the inside and shows on the outside. But we must participate by applying God's Word and grace to our daily living.

Enjoy the new seasons of your life as you grow in your walk with God.

Special Happenings From Our Home to Yours

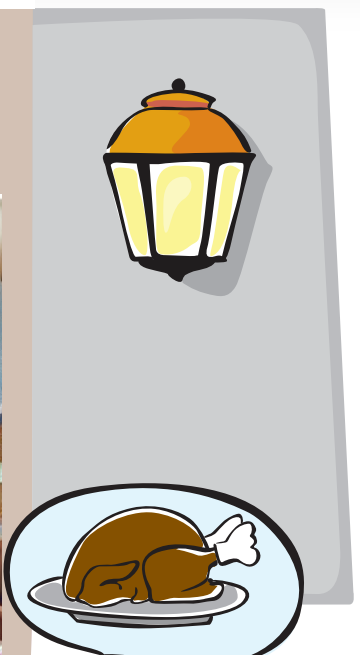

Birthday's - Margie & Donna

Moments of Happiness!

Phi Mu Alpha Music Fraternity from WIU (above) blessed us with beautiful music.

Our Family Tree pictures (bottom left) displayed various ages of our Friends throughout the years on a individual burlap leaf!

3 pics on right: Rosie, Mary Jane, and Harriet loved snapping green beans. Marjorie and daughter Leah enjoyed putting together a wooden airplane. (Marjorie was a pilot!) Patsy and Gordon had fun after lunch with a paper airplane. Can you spot the plane? (Above left) Our two birthday ladies celebrated their special days in August!
