

# Crystal Lake HAPPENINGS DECEMBER

*We wish you and your family a very Merry Holiday!*

*The best time of the year!*

We are so excited for this month's activities and events! It is going to be wonderful seeing everyone coming home for the holidays! We look forward to grandchildren returning from college and families reuniting.

Our dancing horses and exotic bird show outing was fabulous! We have been to see the dancing horses in the summer but this was our first time attending the holiday show, and what a show it was! Don and James enjoying their time in Wisconsin!

Our holiday party is on December 14th at 6pm. We will be having a family style dinner along with wonderful holiday entertainment. Reservations are required to attend this event, please contact Rhonda by 12/7 to hold your table. You can do this by calling 815.477.4200 Ext: 307. On December 19th at 6:30pm - 7:30pm we are hosting 'Twas the Night Before Christmas' event. We will have storytelling, hot cocoa and cookies.

Everyone is invited and pajama attire is welcome! This event is open to the public please pass along the word. Don't forget about our monthly Family & Friends Bingo night! On December 12th we will be playing Ho-Ho-Ho bingo. Bring the grandchildren for a special Holiday treat! This event is open to the public invite your friends, neighbors, and co-workers the more the "merrier"! Happy holidays! Rhonda & Donna

## Greetings from Gloria,

The winter months are here and we have a robust and festive schedule ahead. If you want to join us for any meals, or take your loved ones out for meals or events, please let us know. We want to make those experiences as smooth and enjoyable as we can. Just let our nurses know in advance when you plan to pick them up and we can package medications labeled

the times to give them. (How convenient! I know) As a reminder, our family educational group will be meeting at 11am on Saturday November 26th and the topic is "Guilt, Loss and Grief"; on December 17th "Forgiveness", and January 28th "Quality of Life." You can drop in for any one of these and take advantage of the opportunity to chat with other families as you explore these different topics. See you around the branch in the coming weeks, and bring the whole family to tour our many Christmas trees throughout!
