JANUARY

New Year's Midnight Traditions

Happy New Year Everyone! 2017 is finally here. How did you bring in the new year? Many of us have our little New Year traditions that we follow to ensure a great new year. What is yours?

"I always make sure to have my midnight kiss with my husband the love of my life."
-Juanice H.

"I eat 12 grapes as soon as the clock strikes 12, one for each month to ensure food on our families table the whole year round and for luck all 12 months of the year."
-Erika R.

"My grandmother used to eat herring for luck in the New Year but I don't like it." June M.

Fun New Years facts in other countries. Chile, folks eat lentils at midnight to ensure the ushering of a prosperous new year. Ecuador, folks burn scarecrows to cleanse all the negativity from the previous year. This brings them good luck and positive energy to the New Year.

Russia, folks celebrate new years even bigger than Christmas, they even have a New Year's tree and big parties.

However you usher in the New Year may everyone have a prosperous, safe and healthy 2017!

Guess Who?

Guess Who, do you know who I am? We'll see if you can guess who I am. I'm giving you 10 clues and or quotes about me, and see if you can guess who I am. Every Monday afternoon we will put out 10 new clues for our Guess Who Mystery game on our bulletin boards. Our mystery person can be someone famous or one of our BFM's. You

will have 1 week to figure out who the weekly mystery person is. If by Friday no one can guess who our mystery person is I will give 2 additional clues. Who ever can figure out who our mystery person is will get a prize. Our first set of clues will be out January 2nd Good Luck.
