The Flower of the Month is...Carnation

The carnation's history dates back to ancient Greek and Roman times, when it was used in art and décor. ,

Middletown HAPPENINGS

JANUARY

Take A Birthday Bough

People born in January like to branch out in different ways, depending on what part of the month they were born.

Fir (Jan. 1-11)

Those who come from the fir tree are ambitious, industrious, talented, and mysterious. They have extraordinary taste and love beautiful things. They are loyal and take care of those close to them.

Elm (Jan. 12-24)

People who fell off of the elm tree are noble-minded, pleasant, cheerful, and generous. They are natural leaders, but they do not always like to take orders from others.

Cypress (Jan. 25-31)

Those who fell from the cypress tree are generally content and optimistic. They are very adaptable and take whatever life has to give. However, they do not like to be alone and sometimes crave acknowledgement.
