

# Crystal Lake HAPPENINGS

JANUARY

## From Lydia's Desk,

Happy New Year to my Bickford family! I would like to introduce myself as Bickford of Crystal Lake's new RNC. Gloria Shields, who previously held this role, has sought to further her education and will be busy completing her Master's degree. So, I hope you all welcome me into this role. I know some are already used to seeing me on a part time basis here at the branch. Just to let you know a little about me, I would like to start

by saying that I have actually been with Bickford, in some capacity, over 7 years. So, I'm hoping this experience will serve me well as my role, here. I have 3 beautiful daughters and a husband who doesn't stand a chance with all us girls. I am blessed to have found my nursing passion fulfilled at Bickford after past experiences in hospitals and hospice nursing. I know this role will not be without challenges but will be comforted by the love and support I know you all provide. Blessings to you all!

*Wishing you the very best in 2017!*

*Happy times for all!*

*Auid Lang Syne....*

We would like to thank each and every one of you for attending our holiday dinner party. We hope you enjoyed yourselves as much as we did. It is always a pleasure to spend time with our Bickford families!

Our residents had a wonderful surprise when Santa came to visit and personally delivered their Secret Santa gifts that were purchased by our BFM's. It was fun choosing names out of our Santa hat and shopping for that special resident!

We are excited to ring in the New Year with our loved ones, and looking forward to continued friendships, fun and good health. We are excited to plan new outings, creating new clubs, and keeping our Bickford family happy and busy the whole year long! We encourage you to come and join us for an activity, outings, and of coarse our family Bingo night!

Our holiday story event was an evening to cherish. Martina brought our residents back to a time we all loved to remember.... Twas the Night Before Christmas. Our living room was blessed with little people as we all gathered for storytelling, hot cocoa and cookies!
