Christmas Cheer

Working together

Please feel free to get to know your loved one's care-takers. Not only will this help put you at ease, but will aid us in getting to know your loved one better.

If something makes you uncomfortable, let us know. There may be a reason a situation is handled a certain way or we may learn how we can better respond.

Please feel free to join activities, this will make almost anything more enjoyable for everyone involved.

Above all else please let us know if there is anyway we can help you.
