

Stomach Bug Cleaned Up!

Getting sick is never fun but when it's all over and you're back to normal, you feel like a million bucks. As we all know, last month we had an outbreak of the stomach bug. Most of our residents and BFM's caught that nasty little bug and were not feeling well for a few days. After a long week of quarantine we were able to get it under control and get everyone feeling better. We would like to send a huge Thank You to everyone for their cooperation during the outbreak and long week of gatorade, crackers, jello and disinfecting. We would like to share a fun picture of part of our cleaning crew, that helped to disinfect all the apartments and our whole building. It was definitely a team effort.

HAPPYNNINGS

MARCH

Spring into March

March is around the corner which means that spring is also right around the corner. "Spring brings the return of the sun's warmth, the renewal of life, and the reappearance of green and color everywhere". What are you most looking forward to in March? "I am looking forward to spring time of course, warm weather and being able to sit outside." ~Margaret. S. "I am looking forward to the beautiful flowers and sunshine so we can go outside and plant." ~Bonnie "I like spring time because I can go outside and walk my dog, oh and I can work on my garden." Juanice

"Spring time means sitting outside and enjoying the beautiful flowers and fresh air, especially on a warm sunny day." ~June "I like the Sun and the flowers that bloom everything looks so beautiful outside." ~Jean L. "I am looking forward to the warmer weather that we have already got a little taste of this year. Spring is the beginning of beauty and of being able to go outside and enjoy everything nature has to offer ." ~Erika No matter what your reason is for wanting spring to get here, we can't wait for it to get here, the sooner the better we say. Happy Spring everyone!
