

Crystal Lake HAPPENINGS FEBRUARY

Love is in the air at Bickford!

Love being busy...

Happy Valentine's Day! Be sure to mark you calendars for our Family & Friends Lovin' Bingo night on 2/13 at 6pm and our Valentine Family Meet & Greet on 2/15 at 6pm. These are great opportunities to meet our Bickford family

members and our new residents and their families. Bring the whole family to celebrate Valentine's Day and enjoy our musical entertainment and chocolate fountain! We will also review our happiness survey

for continued improvements. I would also like to invite you to see our new and exciting life song stations in Mary B's. We have been as busy as little bees creating new ideas and work stations for our Mary B's family to enjoy. We will be hosting an open house in March for our families to visit our Mary B's where you can hear all about our Mary B's Symphony program for our residents. You will be excited as we showcase our specialized programs to the ones we love!

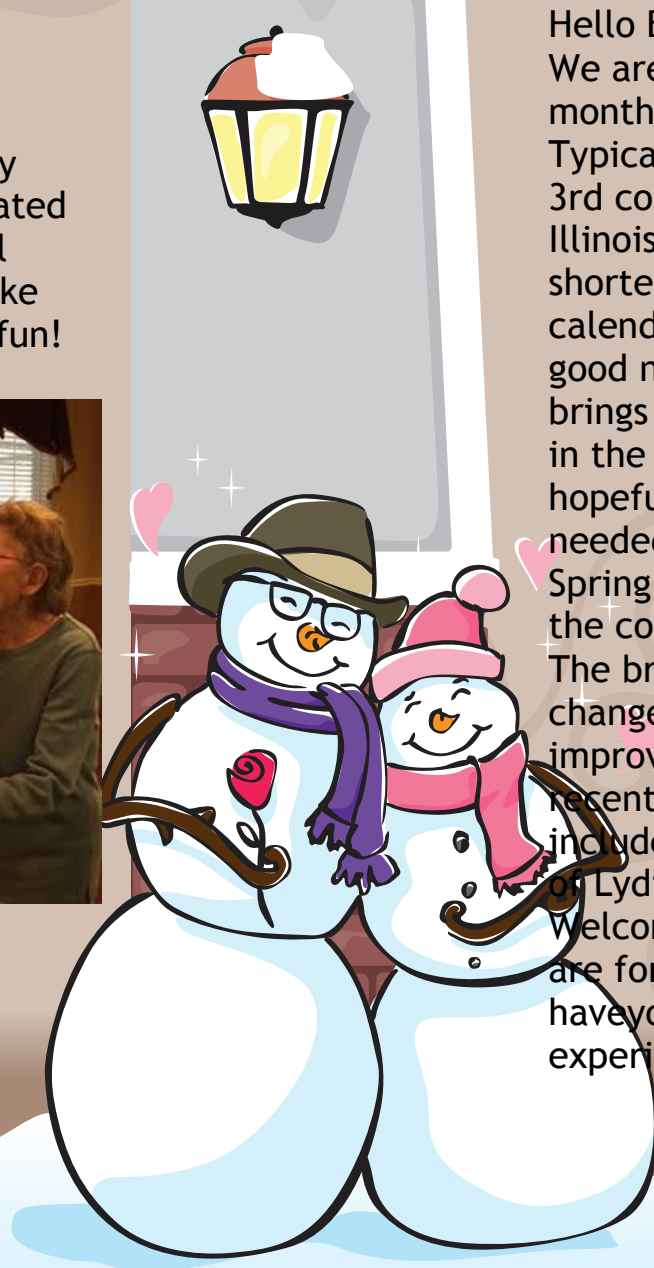

I am happy to say 2017 was celebrated with a wonderful party with karaoke and dancing, so fun!

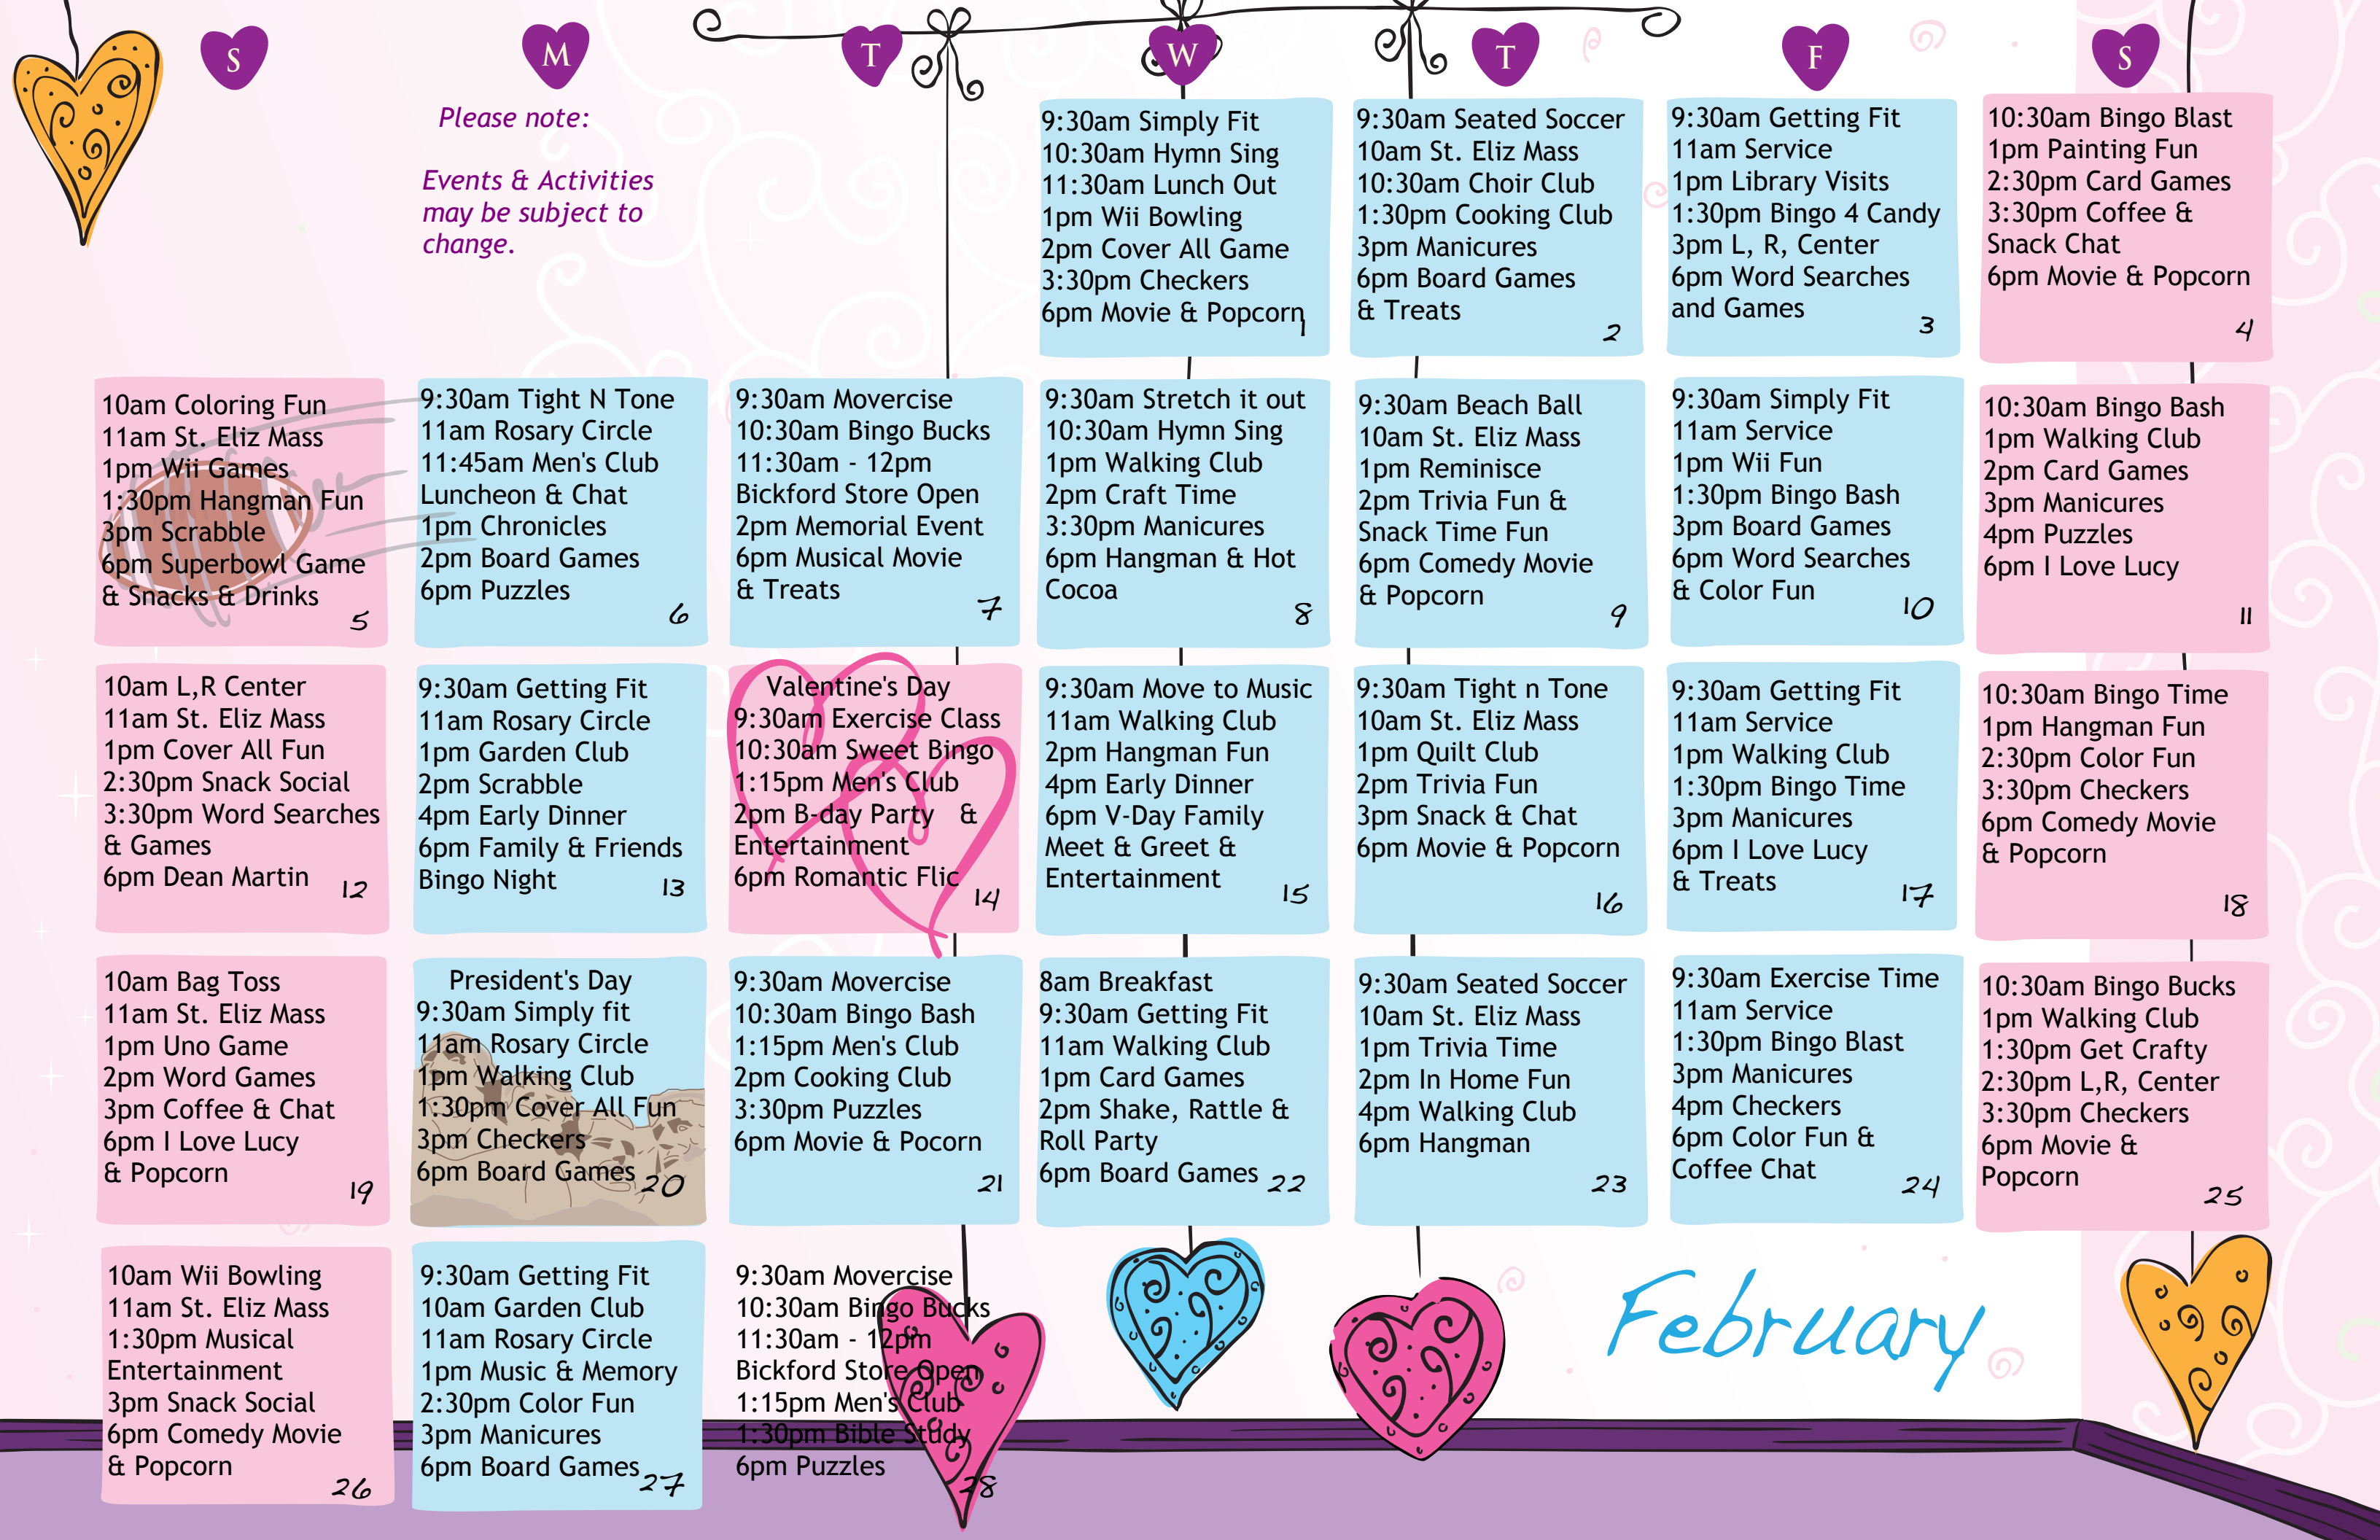

From the director's desk,

Hello Bickford family! We are starting the month of February. Typically, this is the 3rd coldest month in Illinois and the shortest month of the calendar year. That is good news as March brings average temps in the low 40's and hopefully some much needed sunshine. Spring is right around the corner! The branch had some changes / improvements recently, which included the addition of Lydia Riley as RNC. Welcome Lydia! We are fortunate to have you as an experienced nurse.

Our beloved Mary B's Memory Care, has received improvements to better serve and engage residents in their journey. Lastly, we are looking forward to remodeling in the Assisted Living area this year. Stay tuned for that! I would like to ask for increased attendance at the February 15th resident and family meeting at 6pm to discuss branch success and processes that require improvement. We value all input and look forward to seeing family members. Be well! Tim
