HAPPYNNINGS

FEBRUARY

February 2017 Happynings

We hold our family council meetings every other month. Our next one will be in March. We want as many people as possible to be able to join us. Please let Katie know what times and days of the week would work best for you. We are trying to coordinate the best day and time for our families.

Many additional residents have moved in this past month and we are happy to say that after a couple more scheduled move ins we will have a full house! We will be starting a "Resident of the Week" to help us get to know everyone better. A resident will be chosen randomly each week and they will be asked to choose a dessert of the week, activity of the week and some other surprises. We are excited to get this started and think it will be a lot of fun.

Additionally, Katie hosts an Alzheimer's/Dementia support group. Suggestions for meeting days and times are encouraged for that as well.

Mary B's Memory Care

Making our "bread in a bag". These ladies are becoming quite the bakers!

We have been adding many items to our memory care community to engage our residents. These sensory bags were so much fun and easy to make.
