HAPPENINGS

MARCH

Let's spring forward and have some fun!

As luck would have it....

We have another eventful calendar for March! Our themed days are Casino Day, Beach Day along with the celebration of St. Patrick's Day and the first day of spring! We are excited to get this month started! Below: Carol enjoying the garden club.

Our St. Patty's day fun will begin on March 8th as we are hosting our Family Meet and Greet. The McNulty Irish dancers will be joining us for entertainment. Please mark your calendars for a wonderful evening with your loved one.

The weather last month was not only teasing us, our trees and shrubs started budding! No complaints here as we took full advantage of the warm sun and spent time outside soaking up the rays. It was a pleasure loading up "Howie" aka Bickford bus for our breakfast outing without the heater blasting. Of coarse we will still tough it out and continue our outings as long as a blizzard doesn't hit, unpredictable chicago weather...

Our volunteer team is growing and I am happy to say that we have on average 2-3 volunteers visit us daily. Our activites and special times together has enriched many of our Bickford families lives. The evening hours also include an exercise program and special activities for those who like to join us. Keep in mind that you are always welcome to join us for outing an activity at anytime! Happy Spring! Rhonda

Hello from Kim,

Wow can everybody believe it is March? But you know what that means right, warm air is upon us. With that being said, I cannot wait to go with the gardening club to pick out flowers to make our courtyards look amazing. I can already smell the flowers in the air. I want to thank our families for coming out to our family nights and giving your input on how we

continue to enrich happiness in our branch, it means alot to all of us. Please continue to make it a point to fill out the happiness surveys that are sent to you as well. So happy to be part of our wonderful community we have here. As always, if you have any comments or question please feel free to stop in my office at anytime.
