

March 8, 2017 will be our first support group meeting. I cannot tell you how excited I am to fellowship with you all. Senior Helpers is partnering with Bickford to give us access to more information and experts in senior care.

If you are planning to attend the March 8, 2017 support group here at Bickford at 6pm, please send me an email to confirm you are coming. I would like to get a head count for refreshments.

You can call Precious at 317-813-3232, text 317-701-0449, or email bickfordcarmellec@gmail.com to confirm.

If you are unable to confirm that is okay. You are more than welcome to attend.
