

By the time you receive this newsletter, most of you will already know that I am no longer going to be the Life Enrichment Coordinator here at Bickford. I want to say a HUGE "Thank You" to all the residents and families that have been a part of my life these past four years. It has truly been my honor to get to have fun with all of you and I will miss you very much. Thank you for volunteering, donating prizes, donating candy, always saying an encouraging word and attending all my parties. I have been blessed to get to know all of you!

# Saginaw Township HAPPYNINGS APRIL

## Calendar News

Since the April calendar is completed by the middle of March, we have created a plan to increase the hours of our activity assistants, Hayli and Judy, for the next few weeks. This will allow Katie ample time to find a permanent replacement that will be the right fit. The calendar activities will be decided on by them, so come see what fun things they have planned!

Save the date for our painting party on Tuesday, May 9th at 6:00pm. This is another one done by Visions by Vicki and she does a fantastic job each time she comes! Please RSVP to Katie if you can make it. It would be a great activity for Mother's Day. Cost is \$35.

We have started our exercise program with the YMCA. Each Thursday they will be here to host a fun strengthening class with our residents. Periodically we get to go to the YMCA for activities there as well. So excited for this class!

## April 2017 Happynings

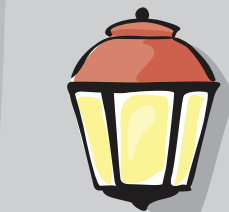

There are lots of eggciting things coming in April!! Join us on Saturday, April 15th at 2:00pm for our annual egg hunt. Please invite all you family members with young children to join us for a fun time.

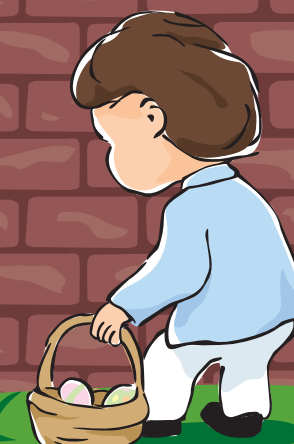

If you would like to donate bags of wrapped candy for the egg hunt, please drop them off in the office anytime.

Easter Sunday is April 16th. Our Easter dinner will be served at noon. If you would like to join us here for dinner or if you will be taking your loved one out, please let our kitchen staff know so they can plan accordingly.
