HAPPENINGS

APRIL

Enriching happiness is so much fun!

From your activity friends,

We sure had a lot of fun with our theme days in March. Casino Day was a big hit. We played Horse Derby races and our residents were cheering on their horses as they spun the dice to get to the finish line.

St. Patty's family night was entertaining as the McNulty dancers came to perform for all of us. On St. Partick's Day we played lucky bingo and enjoyed leprehaun treats! Beach day set us in the mood for warm weather ahead as we

had a picnic social, along with Randy Walker entertaining us with beach fun music and sing alongs. We made sand creations and enjoyed making crafts with sea shells. This month will be just as busy. We welcome spring with Cruise the Open Sea day on April 12th. We are hosting our Family Meet and Greet so we can all enjoy this event with our loved ones! We will be enjoying musical entertainment along with yummy treats.

Feel free to wear your caribbean attire as we will have a photo booth for your family protrait! To celebrate our Easter holiday we will be hosting Brunch with the Bunny on April 15th. There will be an easter egg hunt and photos with the Easter Bunny too! Please check out our activity calendar as there is daily fun that you are always welcome to join in! Looking forward to the warmer weather as we love to venture out to our courtyards for outdoor games and chats!

Hello from Cheryl Levinson,

We all have stories to tell and the longer we live the richer and more colorful our stories become. As a new Bickford family member I appreciate this chance to tell you a bit about myself and look forward to hearing more about you and your families. Specializing in mental health, I've worked and lived in McHenry County for many years. Some of you may know me through my work at Family Alliance and in our community. I've learned from families and many individuals who have taught me to make each moment matter.

Personally, I've had other teachers, my five children and four grandchildren, the joys of my life. I'm a dog person, I like to travel, love the beach and don't enjoy the winter which is a non-issue now that April is here--yay! At Bickford I will be working as a part-time RNC Coordinator. I'll be spending most of my time in Mary B's and I'm very excited about that opportunity. In the days and weeks to come, let's get to know each other. Let's see what we have in common, what we can teach each other and how we can connect as we make those moments matter.
