At Audibel Hearing Solutions we understand the impact that losing your hearing can have on your enjoyment of daily activities as well as relationships. Our dedicated and knowledgeable staff will work with you or your loved one to find a personalized hearing care

solution that will fit your unique lifestyle. We treat each patient uniquely by offering personalized hearing care that includes diagnostic evaluations, education rehabilitation tools to ensure the right hearing solutions are provided. We offer the best value on advanced

hearing aid technology in the Quad Cities. Untreated hearing loss can have an impact on more than just communication abilities and relationships, it now is also being reported that it is linked to the increased development of dementia. Treating hearing loss with the use of hearing aids can be a very important step towards delaying or preventing dementia. We recommend that anyone experiencing hearing loss, or for a loved one, to take the important first step in addressing the issue by

scheduling an appointment for a complimentary hearing consultation. Hearing loss has many causes, symptoms and effects when untreated over time. In fact, well over 30 million Americans, of all ages, report having some degree of hearing loss. Many of these people could reconnect themselves to the sounds they love if they chose to use hearing aids. Our goal is to help anyone who feels they may be experiencing the negative impact of hearing loss in their daily life take the first step. --Patrick is here at our Bickford Branch every third Tuesday of the month at 9 a.m. Stop in and visit with him or give him a call.

In the United States, Flag Day is celebrated on June 14. It commemorates the adoption of the flag of the United States, which happened on June 14, 1777, by resolution of the Second Continental Congress. In 1916, the president of the United States issued a proclamation that officially established June 14 as Flag Day; in August 1949, National Flag Day was established by an Act of Congress. Flag Day is not an official federal holiday. On June 14, 1937, Pennsylvania became the first U.S. state to celebrate Flag Day as a state holiday. Perhaps the oldest continuing Flag Day parade is in Fairfield, Washington in 1909 or 1910, Fairfield has held a parade every year and a "Centennial" parade in 2010.
