

Special July HappYnings

Hand in Hand of the Quad Cities

Since that first summer in 2000, Hand-in-Hand has grown into an organization that offers a variety of programs and activities all year long. Programs offered include integrated child care and preschool, a fitness/cooking/nutrition program, an art class taught by local artists

a volunteer program for young adults with special needs or disabilities, after school care, teen night, an adaptive summer camp, a weekend sleepover, and more. Hand in Hand comes in faithfully to Bickford of Davenport every monday and helps us do all kinds of tasks. [www.handinhand.org](http://www.handinhand.org)

Scratch Cupcakery July 25th, 2-5 pm

Scratch isn't a franchise. We're locally grown and we partner with other locally grown businesses. We employ more than 150 people aged 17-70+. We train our staff from the ground up. We aren't perfect, but we love the adventure. We learn something new every day and I'm a firm believer that when we stop learning, we'll stop growing. Scratch was born from a love of making people smile. Since I was little, I've loved to bake for other people...I loved creating recipes and sharing my ideas and experiments with anyone who would try. Today, I still love that process!

We experiment in the kitchen constantly. We have some massive winners...and some that still have us shaking our heads. :-) In all of that testing and baking, we learn about you...our customers. We learn your likes and dislikes. We learn about your lives and families and events. You've brought us into your life and allowed us to share in some of your most favorite moments. That...that's why we do this. Because we love making you smile... \*Meet the rest of the Scratch family in Cedar Falls, Waterloo, West Des Moines, and Coralville!
