

-----TO BE A VOLUNTEER---NATIONAL VOLUNTEER MONTH-----
 To be a Volunteer, it takes...Generosity, a willingness to give your time to others. Understanding, because their lives might be very different from your own. Empathy, an ability to put yourself in someone else's shoes and feel what they must feel. Compassion, to truly care about making someone else's life better. Patience, because the process doesn't always go as smoothly as it might. Dedication, to stick with the project and see it through. You've shown these qualities and so much more, so thank you for all that you do...to all of the wonderful Volunteers that support our branch here in Davenport. We love and appreciate you all very much.

Bickford's Friendship Company: Beacon of Hope Hospice
Ashley Scheckel, Hospice Care Consultant cell # 563-209-2346

Hospice. Most people think its scary end of life stuff. There is so much more to hospice than death. Hospice provides a specialized kind of care that addresses the physical, emotional, social & spiritual needs to those living with an advanced illness or condition, those caring

for a family member or friend, those who have experienced the loss of a loved one or those facing difficult decisions regarding end-of-life issues. Hospice provides peace and dignity, care and compassion and maybe most importantly it provides it wherever home may be.

Beacon of Hope Hospice is part of National Hospice Management, Inc. established in 1993 employing over 200 people and has served over 900 families. Our Davenport branch has been serving the counties of Scott, Clinton, Jackson, Cedar, Muscatine (IA), Rock Island, Henry and Mercer (IL) for over 10 years. At Beacon of Hope Hospice we understand that each patient, family member and caregiver has a different set of needs. To ensure that we are meeting those needs we are expanding our volunteer program. Veteran Salute which matches active duty or Veterans with our Veteran patients who we

present a special gift in recognition and gratitude of service. The need for, and duties of, volunteers go beyond the commonly known companion volunteers. The Food for the Soul volunteers prepare meals for our patients for special occasions such as birthdays or holidays, Cosmetologist volunteers can make visits to homebound patients who may want their hair trimmed, Caring Crafters provide homemade blankets or shawls or even holiday craft gifts. If you are interested in more information about our volunteer program please contact our office. 563-391-6933
