

EXERCISE HAS BEEN MOVED TO 9:30 AM

Exercise is very important to our bodies. It helps to improve not only our strength and mobility, but also our moods. Exercise helps our bodies produce more endorphins which increase our feelings of happiness, reduces stress, lessen anxiety, and helps to alleviate depression. So, please, come help improve your happiness plus others. Join us for exercises and bring your neighbors. Start the day off improving happiness!

Our Happynings Specials Outings! Mark the Event!
