

We are having a Cinco de Mayo party on May 5th. We would like to invite families in to join the fun. We will have activities and games throughout the day.

In honor of Mother's Day, we are having a family brunch. All families are invited to attend on Friday, May 12th, from 7:30 - 9:00 am.

During our Cruise the Open Seas Day, Mary Jane played miniature golf. She hit a hole in one. Lucy and Fred also shot a hole in one! Everyone did a great job!

Volunteers from Home Instead Senior Care came to help us scrapbook. With help from the volunteers, we were able to get a lot of pictures in our scrapbook.

We filled about 300 eggs for the Easter Egg hunt. Children enjoyed looking for and finding all of the eggs.

We also had played The Price is Right.

May Fun Facts

According to the early Roman calendar, May was the third month. Later, the ancient Romans used January 1 for the beginning of their year, and May became the fifth month. May has always had 31 days.

Several stories are passed around to show how the month of May was named. The most widely accepted explanation is that it was named for Maia, the Roman goddess of spring and growth. Her name is related to a Latin word that means increase or growth.

Emerald is the birthstone for May.

Hawthorn and Lily of the Valley are the flowers for May.
