

Please help us welcome our new CNA, Kailey!
 Note from Kailey- I am currently on the varsity dance team at my high school. I have been dancing since I was two years old, so I am very passionate about it. When I am not dancing, I am spending time with my friends, my little brother and step sister, my parents, or my grandparents. I also babysit frequently. I love kids, so I am a preschool teacher through my high school. This year I am hoping to work with other grades, in special ed classes; and with the school nurse of an elementary school. I also love animals and helping my Aunt on her farm whenever possible. I am looking forward to getting to know the residents here at Bickford!
