For Your Information

Please make sure you are telling a family member if you are taking your loved one out. It is important that we have them signed out, and have given them their medications before they leave the building.

Garden club starts this month. Do you like to garden, pull weeds, or plant? See Chrissy!

Please refrain from parking under the awning in the front of the building. This is for pickup and drop off only and should be limited to 10 mins max. We have to make sure this area is clear for emergencies.
