

Our memorial balloon release was very touching for all...

BICKFORD NEWS!

From the activity department

Can you believe this weather? We are enjoying these breezy warm days in our courtyard. What a beautiful place to be lately, have you been? Come and join us for an enjoyable conversation and an activity as there are plenty to choose from.

If there is a reason to have a party we will find it! This month we will be hosting our Birthday Party, Independence Day, Shake Rattle and Roll party, Family & Friends Bingo night and our theme Italian day to mention a few.... We also invited back Dave the Good Humor man! He will be pulling up in front of Bickford in his vintage ice cream truck dressed as the Good Humor Man we all knew and grew to love. Come and pick out your favorite treat on us!

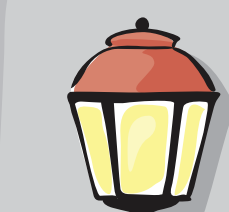

There will be many fun outings this month too. We will be going on a riverboat and lunch cruise, enjoy a day at 3 Oaks beach, along with restaurant outings. Picture on the upper left is Don and Jenn celebrating hat day. Lower left photo is Barda and Ruth sharing special time together on our breakfast outing at Brunch cafe, one of their favorite places to go. Please check our calendar to join in on the fun! Happy 4th to all!

Hello from Rhonda,

Happy Summer! It sure is a happy time for me as I just became a "Nana" for the first time! My son Garrett and his beautiful wife Jessica brought Drake, a beautiful healthy grandson, into our lives. The family couldn't be more blessed than we are right now. I appreciate all your well wishes that I have received. It is a wonderful feeling knowing that my Bickford family of 8 years loves me as much as I do them. I have been the Life Enrichment Coordinator for 7 and a CNA in Mary B's prior.

I was a daycare provider for many years as I decided to leave my career as an office manager to stay home with my 2 children, Garrett who is now married for 3 years and Melissa who is engaged to be married next May. My best friend and husband, Todd and I are celebrating 31 years of marriage this August. I decided to go to school to become a CNA and Phlebotomist, which lead me to my dream of working with seniors. I enjoy my life knowing that I am able to make a difference in your loved ones lives. Enriching happiness makes me happy! Rhonda
