### Lincoln's Concern

One day when the Civil War was raging its worst, a minister said to Lincoln, "I surely hope the Lord is on our side." To which Lincoln replied, "I am not all concerned about that, for I know that the Lord is always on the side of the right; but it is my constant anxiety and prayer that I and this nation should be on the Lord's side."

I pray that our nation is turning back to God; we desperately need him! But what about you personally? Are you on God's side? --- Chaplain Chuck Peterson

### Moments Of Happiness

Happy summer and 4th of July from Bickford! I love the two fellows on the front page of this month's newsletter. It reminds me of our family picnics when I was a teenager. My mom and dad lived on a farm in Scott County, IL and we had big fourth celebrations with lots of people invited. I remember one year, our dog, the chocolate lab (who wasn't the brightest puppy) tried to lick and eat the fireworks that were sparkling out! Don't worry! He was safe, and conditioned for accidents like that :)

Another year, one of the fire works tipped over and shot right at the garage door and made quite the explosion! We had good home-owners insurance and my dad was glad to have a brand new door! We all had a good laugh and as you can see, still remembering it today.

So from me to you...have a fun, adventurous-summer, but most of all SAFE! I won't be traveling too far this summer, but have a camper now, so who knows where the road will take us! Your Director, Robin Wike
