Join us at the branch...

A busy July!

Dementia tour

What does Patriotic music, picnics, brats gardens, trains and more music have in common? The many things we will be doing in the month of July! To celebrate the 4th of July we will be having Patty Waszak back for a

fun 4th. We will be going to several evening music concerts, having lunch at the Rochelle train park and checking out the beautiful gardens in Janesville. Family is invited to come along.

On July 20th we will be hosting a Virtual Dementia Tour thru out the day. This is an opportunity to experience what it is like to live with dementia. Each session will be about an hour long. You will wear gloves to alter the ability to pick things up and feel, and wear glasses to alter your vision. You will go thru a make shift home to see what it is like to live with dementia.

We highly recommended the tour to our family members that have a loved one with the disease. We will also be opening the tours up to our staff and to the public. The tours will be offered thru out the day with limited space each hour so don't delay in signing up. See Kris for signing up or email her at rockfordlec@enrichinghappiness.com

Letter from the Director

Happy 4th of July!

Well boy are things looking different here at Bickford of Rockford!

We are seeing the wall come together and the changes to the front of the building are starting to shine. Now we will start the work of the driveway. Clearing up these issues and making Bickford beautiful is always first and foremost.

If you have any areas of concern or suggestions for improvement please don't hesitate to let us know.

We also want to make sure we are bringing you the best activities, family events, and outings we can. If there is something you would like to do, an outing you would like us to add, or a way to make our family nights better please let me know.

We appreciate and value your opinions and suggestions, and always look forward to improving what we do. Have a great month and enjoy the warm weather!!

Bob
