Enriching Happiness,

August is another fun filled month of outings and activities and special family times. Please note some activities and days have changed beginning this month. Photo below is Jerry enjoying our Good Humor event.

We are happy that our new residents are feeling right at home and are joining us for many activities, it is always nice to make more friends! Please feel free to join us for our events and activities. The more the merrier!

A note from the office,

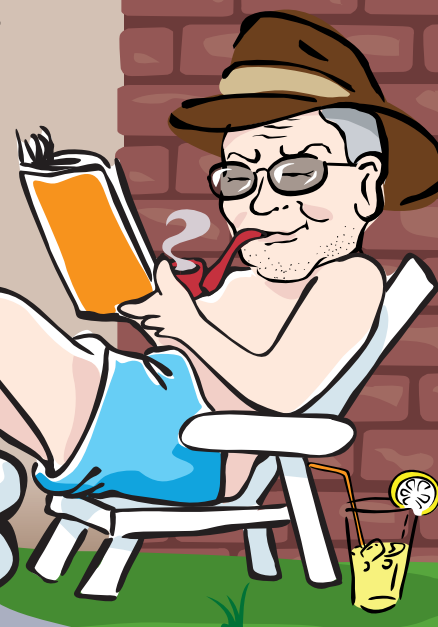

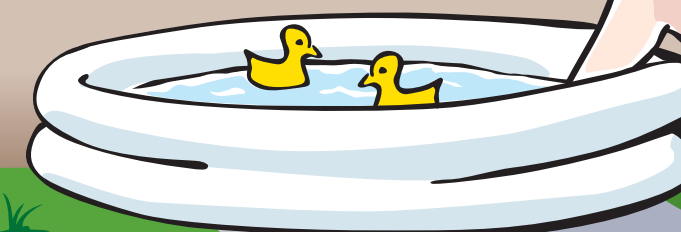

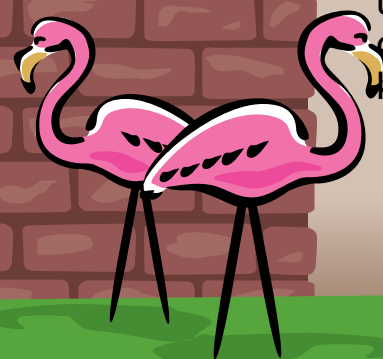

We would like to remind you to please sign in and out with each visit. When taking your loved one out of the building please be sure to inform the nurse so they may provide you with any medications needed while they are away. Also, be sure to sign them out when leaving and in when they return. This is greatly appreciated. If you would like to join your loved one for a meal please call to inform us so we can let our chef know in advance.

It is a pleasure to have you as their guest and you are always welcome to reserve the private dining room if you wish, by calling the office to hold your date. Keep in mind it is available for special occasion too. Howey aka Bickford bus is available for doctor appointments if you need transportation for your loved one on Tuesdays and Thursdays from 8am - 3pm. A two week notice is appreciated but not necessary. Please be sure to call the nurse to check availability before making appointment.

From your RNC,

Hello everyone!
My name is Jean and I am the new RNC for Bickford of Crystal Lake. I have been a nurse for 6 years, in a variety of settings including psych, clinical, hospital, home health, long term care, and hospice as a traveling nurse. When I was offered the opportunity to transfer from the Bickford in Rockford to become the RNC I was delighted. Currently, I am completing undergraduate nursing courses to further my knowledge and skills.

I am a mother of 11 year old Kya and 5 year old Aiden. I have enjoyed meeting your loved ones and spending the time to get to know each one of them. Please feel free to stop me in the hall and say hi, as I look forward to meeting and assisting everyone with enriching happiness. Enjoy this beautiful summer!
Jean
