If a cowboy rides into town on Friday and three days later leaves on Friday, how does he do it? The horse's name is Friday!

August Fun Facts

August, once called the "forerunner of splendid beauties," was originally named Sextillis by the Romans because it was the sixth month in their calendar. It also once had the Anglo-Saxon label of Weodmonath or "weed month." Julius Caesar had adopted his nephew, Gaius Julius Caesar Octavianus, and made him his heir. The senate gave this ruler the title of "Augustus," meaning revered or reverend.

Some fun dates in August:

- 2nd, National Ice Cream Sandwich Day;
- 6th, Sisters' Day;
- 9-13th, Perseid Meteor Showers;
- 11-19th, Elvis Week;
- 12th, Middle Children's Day;
- 18th, 6th Annual Serendipity Day;
- 20th, Lemonade's Birthday (1630);
- 22nd, Be an Angel Day.

On July 4th, we had a watermelon seed spitting contest. The picture below shows Winnie getting ready to spit her watermelon seed.

At left, LuVerne is pictured playing Minute to Win It on Italian Day.

Everyone enjoys having Aaron perform.

Bickford is planning several events through the end of the year and we would like to have you join us. A few of the events we are planning include: Walk to End Alzheimers (October 8th), Blood Drive and a special 50's Day. Look for more information in the next newsletter.

Darla and Lucy even danced together.

Anyone wanting to donate money for the Alzheimer's Walk can send their donation to Bickford, Attention Annessa.

Happy Birthday!
