

Moments of Happiness

Community Involvement!

Primp and Relax!

We made home-made dog treats for the puppies at the animal shelter this month! A Mary Kay consultant came to demonstrate skin products and give facials :) How relaxing for our ladies and gents!

It's always a good time when Joyful sound comes and puts on a great performance!

Big thanks to the Innovation Design Academy for coming to do manicures!

August: The Sunday of Summer

August is here and we've been busy at Bickford! I would like to announce that we have three new "Black Pearls" at our branch and they are: Nicole Ackley, Sharon Riley and Christine Wolf. These BFM's were chosen for their commitment to great care, going above and beyond, showing leadership and above all, providing moment's of happiness to our residents! It is a great honor and I'm so happy they choose Bickford! Look for their awards to be hung soon!

We have several new faces, both residents and BFM's, in the branch too! We are growing and that is a great thing! Western Day is Wednesday August 9 and Cindy McClintock will be performing at Bickford at 6PM! Please plan to join us for an awesome show!

Our next family counsel meeting will be September 25 at 6PM Mark your calendars for a nice visit. Dinner's on me!
