News You Can Use!

Hey Everyone,

From your LEC:

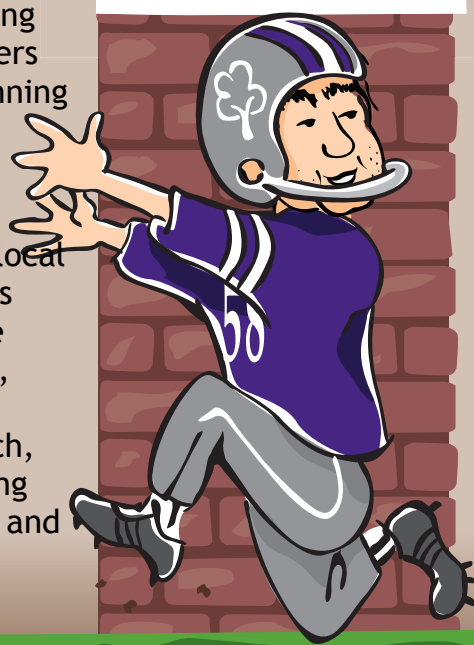

Does anyone else feel like August just flew by?

We are currently looking to build up our volunteer program.

We had so much fun here last month and you know what they say, time flies when you are having fun. We can't believe we are in September already. I think we are all looking forward to some cooler temperatures and beautiful fall colors after all the summer fun!

We have lots of opportunities to fit all different schedules. If you are interested in coming in to help do an activity or two once or twice a week or if you'd like to volunteer daily, we would love to have you join our team!

We are also working on building our Live Entertainment roster. We would love to have musicians, singers and performers for all genres. Let our Activity Director know if have someone in mind!
