HAPPENINGS

SEPTEMBER

A picture is worth a thousand words...

A note from our LEC,

What a fun and "wild" August we had. From the excitement of the eclipse, our Wild West Day to our parties, the fun never ends! (Top left: Rebecca enjoyed checking out the eclipse.)

(Top right: Kess is definitely wanted we adore him so!)

(Bottom center: Jean and Mary Ellen sing a Polish song together at our monthly birthday celebration.) September is going to be just as busy as you can see on our activity calendar.

Our happiness survey will be available to you this month and we would appreciate you taking the time to complete this survey. This survey is key to enriching your loved one happiness and that is what we strive for each and every day!

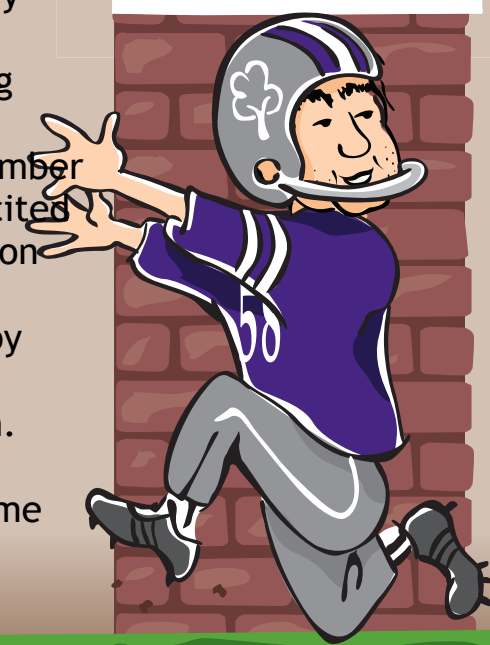

We will be visiting Royal Oaks Apple Orchard on September 18th. We are excited to go on the wagon ride tour of the orchard and enjoy their delicious homemade lunch. Of course we be bringing home some yummy apples!

Hello from your new Assistant Director,

My name is Xavia McCloud. I currently reside in Elk Grove Village with my four children. Isaiah is 12, Josiah is 8, Naomi is 7, and Micah is 6. I have been in healthcare for fourteen years as a CNA when I decided to pursue a degree in Business Management. I've worked in hospitals, group homes, with hospice as well as other entities. I have been a manager with an event planning company and I've also written a children's book!

I am still finishing my degree and am enthusiastically applying my experience and education as your new assistant director. Please feel free to stop in my office to introduce your self, as I am looking forward to meeting each one of you. Enjoy your September! Xavia
