

Macomb HAPPENINGS

SEPTEMBER

Autumn's Best of Cheer

Welcome September! We'll have the best of the remaining summer weather and tokens of fall as the leaves turn.

A few new things coming this month! First, I'm proud to bring the Seniors Art Series, from the WIU Performing Arts Society to Bickford.

Working together, we have developed a schedule where residents and families can attend these activities free of charge! We are coordinating transportation now and the schedule will be emailed to you. If you're interested, please let us know!

Next, our annual Happyness Survey will be coming mid-month. We are looking for all 5's on our scoring! If you have a concern you'd like to bring up before then, we want to know! Only 5's count, so we want to make sure we have a chance to correct anything :)

Finally, we'll be teaming up with the WIU Music Therapy department and the Macomb Park District several times a month going forward. Look for more fun programs soon!

Sincerely,
Robin Wike-Director
