Home Helpers of Scott County began providing care in Scott County 12 years ago. Our franchise is a locally owned and operated by a lifelong resident of Davenport. All Home Helpers Caregivers are reliable professionals who have been thoroughly screened, family oriented, bonded and insured. Home Helpers

caregivers are trained to offer a wide array of non-medical services to seniors and others in need of assistance. Our services allow seniors to remain active and independent, and we can make life easier for those recovering from illness. Our carefully screened, trained caregivers are available to step in wherever

they are needed. Individualized care plans might include: Companionship, Grocery shopping and errands, Light house-keeping, Transportation to appointments, Medication reminders, Pet care, Much, much more! Caregivers can assist you or your loved one to prepare for an outing. We will provide transportation to and from appointments, errands, the beauty salon/barber shop, lunch at a favorite restaurant or just to visit family. We strive to be the extended family when the family can't be there. Our goal is to deliver the same quality care that we would expect for ourselves

and our families. Our Values: Care, Service, Trust, Respect, Accountability. If you or a loved one could use our assistance please call 563-386-4969 for a free consultation. Home Helpers also offers a "Destination Home" program that provide four hours of care to help a client home from the hospital or Bickford Senior Living for a discounted rate. We can pick up prescriptions, check and clean refrigerator for outdated foods, do light housekeeping. We can shop for fresh foods and even help with follow-up appointments.
