

## Halloween Around the World

Halloween Around the World In America and Canada, children go door to door in costume on Halloween night asking for candy treats. France has recently started celebrating Halloween with costume parties. Meanwhile, in the Czech Republic,

people place chairs by the fireside, one for each living family member and one for each family member who has passed on. In Germany, people hide their knives to ensure the safety of the returning spirits and themselves.

**There's a goblin at my window,  
A monster by my door.  
The pumpkin at my table  
Keeps on smiling more and more.  
There's a ghost who haunts my bedroom,  
A witch whose face is green.  
They used to be my family,  
Till they dressed for Halloween.**

## A Word from our Director

**Hello Families**  
In case you haven't seen me running around the building I would like to formally introduce myself. My name is Roman Salas; and I have been working for Bickford for close to 6 years, I've done every job from housekeeping to kitchen manager to assistant director and now Director. I have a passion for Seniors and this is where my heart belongs. I am looking forward to working with my new family here in Crown Point and excited to learn all the fun quirks of the Residents. I'm happy to serve you and be an advocate for your loved one.

Looking forward to building new memories and relationships here in the branch.  
Over the next few weeks I will be attending an Administrator course to obtain my License for the state of Indiana, so my presence in the branch will be limited. I would like everyone to know you can reach me at any time of the day at [roman.salas@enrichinghappiness.com](mailto:roman.salas@enrichinghappiness.com)
