 "Happy Birthday to all"

October

October is the tenth month of the year on the Gregorian calendar, though its name stems from the Latin octo, meaning "eight" month on the calendar. Old England referred to it as Winmonth meaning wine month.

Flower of the month Calendula. The flower petals of the calendula plant are edible and have been used for medicinal purposes since at least 12th century.

"The harvest moon hangs round and high
 It dodges clouds high in the sky. The stars
 wink down their love and mirth
 The Autumn season is giving birth, Oh, it
 must be October.."
 ~Pearl N. Sorrels~

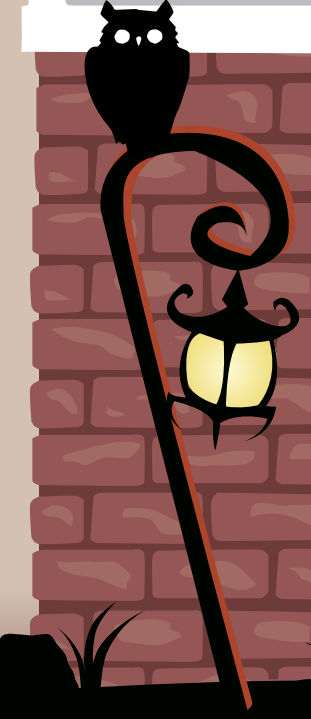

Halloween around the world. In America & Canada children go door to door in costume on Halloween night asking for candy treats. France has recently started celebrating Halloween with costume parties. In the Czech Republic, people place chairs by the fireside, one for each family member who has passed on. In Germany people hide their knives to ensure the safety of the returning spirits and themselves.

October

Bickford of Middletown will be celebrating Halloween by inviting all of our friends and families ghost and goblins in for trick or treating. Residents will also be dressing up and passing out candy to all who enter. We will then share in monster mash music while munching on mummy brownies and drinking bubbly witches brew. Beware there may be a few spooky surprises.

We will also be recognizing Family History Day. To celebrate our own families please share pictures and join in on scrapbooking. At this time Bickford would also like to share the Bickford family story. That story begins with "Nanny" Mary Bickford. Thru Mary's journey Bickford Senior Living was founded and the mission to enrich happiness to all who enter into our home began. It is our desire to live out Mary's saying "Whatever it takes to make you Happy"
