

Moments Of Happiness

Music makes us smile.

The ladies sure do love their baking!

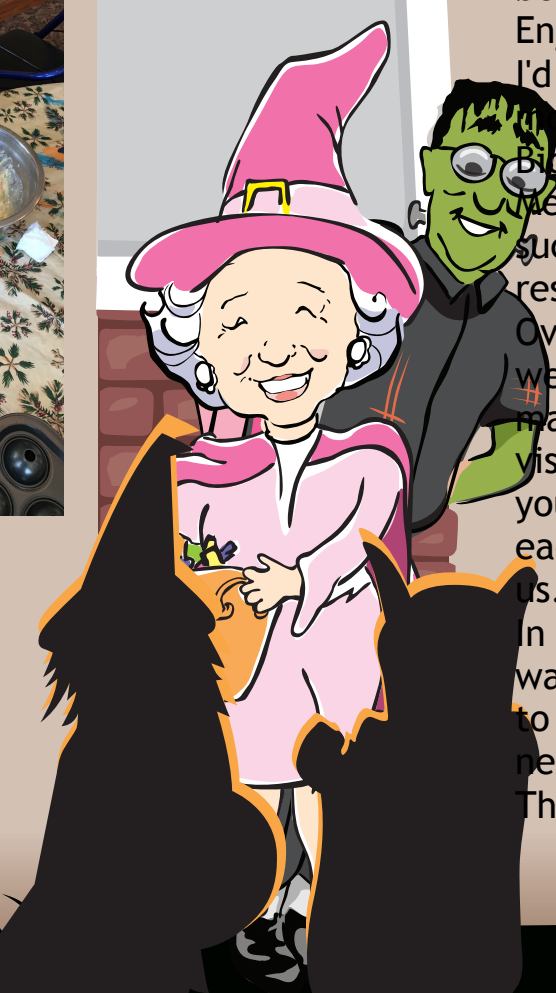

My Favorite color is October

I'm so glad we live in a world where there are Octobers! That crisp air is here to stay and the trees are ready for the rainbow of beautiful colors. Enjoy everyone! I'd like to take this month to highlight our Bickford Family Members who give such great care to our residents.

Over the next few weeks, we will be making our BFM's more visible, assessable so you can connect with each and everyone of us.

In addition to this, I want to bring focus to our Bickford Tree next to the Salon. The tree symbolizes

the roots and branches of our care and relationships we all have at Bickford. Next to the tree, there are leaves that symbolize qualities each of us have; if you see someone giving great care, going the extra mile or maybe you just enjoyed their smile, I encourage you to give a shout out to that person or us as a group when you see something that warms your heart. We will read these at our monthly meetings. It really does encourage all of us. So I hope to see some more leaves on our tree! :) -Robin Wike
