**Featured Resident  
 Linda Quigg-Law**

Linda was born and raised near the Darlington area on a farm along with her two brothers and a sister. Linda went to Florida for college where she graduated from the University of Miami with a teaching degree. After college she lived in the Glendale area of Arizona for 30 years. Linda enjoyed teaching the younger aged children and always considered her students in her classrooms as her own children. She shares her apartment with her cat, Strawberry. She enjoyed collecting Beanie Babies and at one time her collection was over 300. You can find Linda doing crafts, gardening, painting, cooking, and hand sewing, which she is really good at all those things.
