*November 2017*

Thanksgiving is definitely the highlight of November. Here are some fun facts about Thanksgiving.

- 3) Three towns have been named after the holiday's starring player - Turkey, Texas, Turkey Creek La. and Turkey N.C. - each with less than 500 residents.
- 4) Female turkeys dont gobble. a female turkey is called a hen and a male turkey is called a gobbler. Only male turkeys gobble and hens cluck.
- 5) Maybe you've heard the story before: Ben Franklin, enamored with the "respectable" personality of the wild turkey, wanted to see it as the National bird. he lost that battle to congress and the bald eagle is the National bird we know today.

- 1) It was just after Thanksgiving 1953, the Swanson company, had widley overestimated the demand for turkey. Now, 260 tons of frozen birds were sitting in train cars, thats when they decided to slice it up and package it for the first T.V. dinners sold.
- 2) While Black Friday may be a hectic day for most retailers, it is also the biggest day of the year for America's plumbers.

**Branch Reminders...**

Howie is now available for personal use & doctors appointments. Howie is available on Monday and Wednesdays for 9:00am-3:30pm. sign up in the front office with Danette.

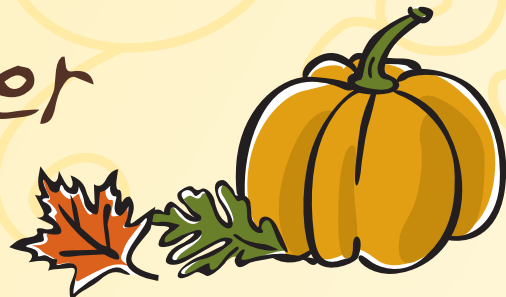

Branch Family Member Meeting is on Thursday November, 9th at 6:00pm. We will be discussing the most recent branch happiness scores. Spaghetti dinner will be served during the meeting & entertainment will start at 6:45pm, so stick around for the show!

Thanksgiving meal will be served at Bickford for the lunch meal on the 23rd (Thanksgiving). Please touch base with Nicole or Pat if you will be joining your loved one for the meal or taking them home for the meal so we can properly preapre for you.
