Past Month's Fun

Our Raytown Rocks Painting Party was a hit! We love the intergenerational interaction and community involvement, plus the added perk of being a part of something in our community. We can't wait to continue our efforts!

We love our visits from the Pet Partners! These cuties in their outfits made a lot of happy faces!

Special Happynings

Happy Thanksgiving!
We are hosting a special dinner that all of our friends and family members are invited to on Friday November 17th. The dinner will take place at the usual time of 5pm and will be followed by live entertainment of one of our favorites, Jasmine! Dinner will cost \$10 for all guests. Please join for a happy happy turkey dinner!

Veteran's Day Celebration!
Nov. 11th at 2PM
Please come out and join us in showing our appreciation for these strong individuals!

New Happynings!
We have joined the efforts of **Raytown Rocks**, a community geocaching project. We have already begun painting and hiding rocks. This will bring different members of the community in to our painting parties, including our youths. This is a great intergenerational program that provides purpose and self fulfillment while building new bonds with others! Also the **KC Chess Club** has taken an interest in coming into our home. Please let me know if you want to join in and I will keep you posted about upcoming events!
